THE MOTHER'S DAY CLASSIC IS BACK IN 2022 AND IT WILL BE MORE EXCITING THAN EVER!

We're bringing the MDC community together in true fashion for the 25th anniversary of this iconic Australian event. We'd love you to join us in getting active for breast cancer research this Mother's Day, Sunday 8th May 2022.

After two challenging years, we're ready to deliver a fun and inspiring event experience that you won't want to miss!

Walk or run on Mother's Day to honour and support the 1 in 7 women diagnosed with breast cancer. Register yourself or with a team of friends, family, colleagues, school friends or your local community group. We will be hosting events of all different shapes and sizes across Australia, and we can't wait to see you there.
