**A GUIDE TO HELPING YOUR TEAM STAY
CONNECTED AND GET ACTIVE FOR
BREAST CANCER RESEARCH IN 2021.**

GET THE TEAM TOGETHER

Getting a Mother's Day Classic corporate team together is a great way to build staff morale, camaraderie and engagement. It provides an opportunity to create a sense of inspiration and community spirit within your workplace.

WHERE TO START

- 1**  **Choose a team leader**
- 2**  **Sign them up & rally the troops**
- 3**  **Connect the team & throw a party**
- 4**  **Join the fun, get moving on the Portal**
- 5**  **Spread the word**
- 6**  **Celebrate loud and proud!**

1 CHOOSE A TEAM LEADER

Choose your team leader - it could be yourself or anyone else in the organisation who is eager to take on the role. Find someone who is enthusiastic, a great motivator and inspired to make an impact. Your team leader will receive regular email communications from the Mother's Day Classic team that will include leaderboard updates, news and updates as well as fundraising tips and training ideas.

2 REGISTER THE TEAM

Now it's time to register your team! As the team leader, you have the fun task of naming your team. Make it as creative or meaningful as you like, it's completely up to you. Once you've created your team name and signed yourself up using our online registration system, it's time to let everyone know how to join the team.

Register yourself and make sure you click **'create a team'**

& RALLY THE TROOPS

Once you have chosen your team leader and created your team, it's time to start rallying the troops. Get your crew together by letting them know that you have created a team for Mother's Day Classic Local and why they should join you in getting active for breast cancer research. There will be prizes for the largest team and the highest fundraising team so the more the merrier!

Tell your teammates to click **'join a team'** when they are registering, and they can search for your chosen team name.

When you log into your portal, you will be able to see a list of everyone who has joined the team!

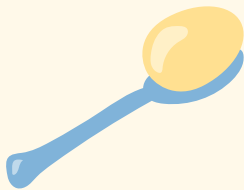

3 THROW A PARTY

A great way to inform and motivate your colleagues is by hosting a Mother's Day Classic launch event, such as a morning tea or lunch. This could even be a virtual event that brings everyone together to talk about ideas!

Pink day

Dress up and celebrate by hosting a pink day with your team. This works especially well for school teams and workplace teams!

Team challenge

Run a sports or activity challenge in the lead up to Mother's Day. It could be a push up competition, a race, a dance class or even an egg and spoon race.

Online bake sale

Online bake sales are just as fun! Ask your colleagues, school group or friends to volunteer to cook some goodies and auction them off with your team online.

Virtual game night

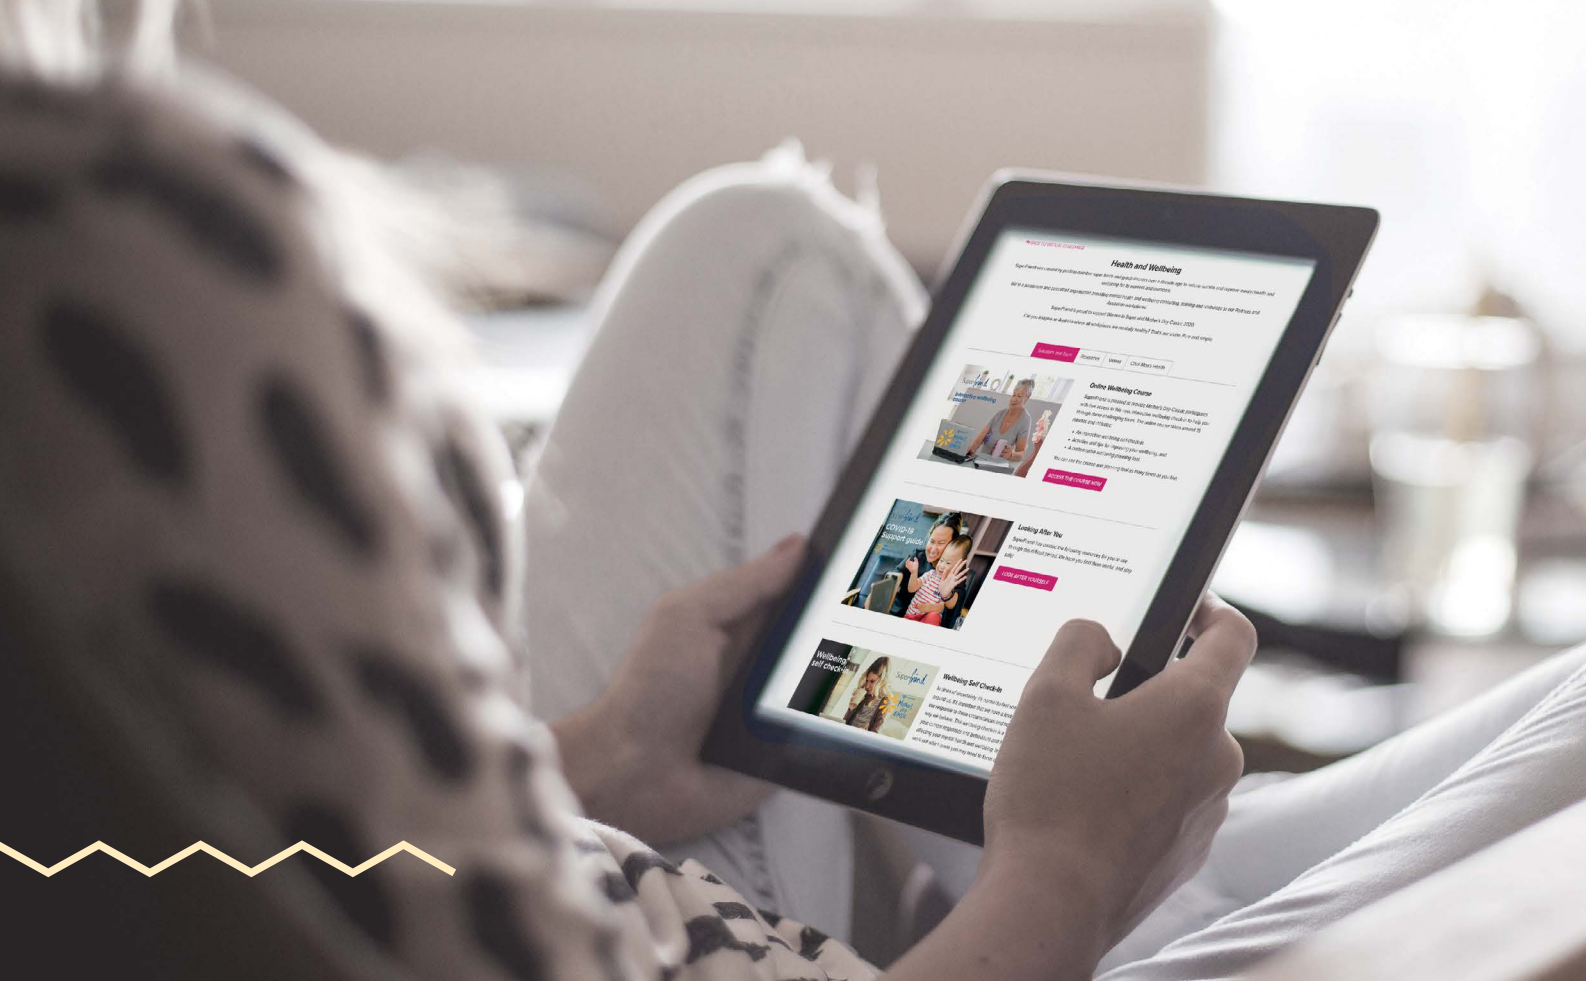

Get your friends and family together for a game night. You might like to try Pictionary, Scategories, Bingo or Celebrity heads!

& GET THE TEAM CONNECTED

Keep your team motivated with regular communication and team meetings. The Mother's Day Classic team will be sending out regular leaderboard updates and tips that you can forward on to your team to keep everyone inspired.

All participants are welcome to join the [Mother's Day Classic Facebook group](#) to hear stories from others, post photos and stay connected. Once you register, you will receive more information about the portal and Facebook Group. We also encourage you to follow us on [LinkedIn](#) and [Instagram](#) where we'll be sharing tips, tricks and updates.

5 JOIN IN THE FUN, GET MOVING ON THE PORTAL

One of the great benefits of Mother's Day Classic Local is accessing the portal. A wide range of content will be hosted on the portal for participants to access from the moment they register. There will be fitness videos, mindfulness and wellbeing tips, Mother's Day recipe ideas and even a kid's zone! This provides a platform for your team to enjoy the community atmosphere online. You'll also be able to keep an eye on how your team is tracking on the leaderboards!

6 SPREAD THE WORD

You can make an impact by spreading the word within your network. Encourage your team to share their involvement loud and proud! We have a range of resources to help you including social media tiles and posters that can be found at

7 CELEBRATE LOUD AND PROUD!

Most importantly, make sure that you have fun and celebrate your achievements! Your support is making a huge difference to the lives of the 1 in 7 women who are diagnosed with breast cancer. You and your team should be so proud, and we can't thank you enough for your involvement. Every one of you is helping us get one step closer to a world without breast cancer.
