

Create a team for the Mother's Day Classic

STEP

1

SETTING UP YOUR TEAM

The team captain needs to be the first person in the team to register. This can be done through the normal online registration process – as an individual or family.

STEP

2

“DO YOU WANT TO PARTICIPATE WITH A TEAM?”

During registration, the team captain will come to the question, ‘do you want to participate with a team?’. Choose ‘YES’ and you will be prompted to create a team name, pick a category and choose a password. Passwords are non mandatory and can be skipped.

Team Type

Schools
Higher education
Gym, fitness and wellbeing
Companies, departments and agencies
Family and friends
Community and sporting groups

Team members must enter a password in order to join.

STEP

3

COMPLETE THE REGISTRATION

Once the Team Captain completes and pays for their registration, the team has been created and others will be able to sign up and join the team.

TIP: If your team would like to fundraise, you'll need to set up your team's page on Everyday Hero by following the prompts during registration.

STEP

4

RECRUIT YOUR TEAM

Get the word out and ask people to join your team! Email and social media are good tools for this. Let everyone know your team's name so they can find your team to sign up to during the registration process.
