Mother's Day Classic VIRTUAL 2020

The Mother's Day Classic is going virtual in 2020!

Have fun, get active, and help raise funds online for vital breast cancer research. Raising vital funds for breast cancer research and celebrating the lives of those touched by breast cancer is at the heart of what we do.

Mother's Day Classic Virtual 2020 gives Australians the opportunity to be part of a virtual online community, ensuring that the Mother's Day Classic family remains connected in these uncertain times.

MDC Virtual will provide an online platform where the community can look after each other, come together and stay connected whilst maintaining a regular exercise and fitness schedule to keep fit and healthy.

We challenge participants to walk or run 4km - anytime, anywhere, in your living room, at the local park or even in your backyard - on or before Mother's Day 2020 and be a part of something big!

Your **\$25 MDC Virtual 2020 registration** includes access to your exclusive virtual page with inspiring community and fundraising content, fun photo competition and fitness videos. There will be a series of exclusive wellness tips and tutorials, pilates and yoga classes, sponsor prizes and giveaways and a fun kids activity zone – something for everyone.

Participants can also upgrade to our **\$45 MDC Virtual Plus registration** includes your virtual registration PLUS a race bib, a 2020 Mother's Day Classic Medallion, sponsor giveaways, postage to your registered address and that special feeling when a package arrives in the mail!

Get involved and join the amazing MDC Virtual 2020 community [here!](#)
